

**4WD AUSTRALIA - LIABILITY INSURANCE PROGRAM
EVENT DECLARATION**

The 4WD Australia public liability facility warrants all timed motor events or events where the public is admitted for a fee **must** be notified to the insurance company **prior** to the event taking place or cover may be **void**. Some events may be included in the master policy without additional premium, in other cases a charge will be levied. **NB** the insurer may decline to provide cover.

This declaration is designed to supply basic information only to the insurance company, it should be accompanied by copies of promotional material, site plans etc. and a covering memo fully detailing the event. The more information supplied the better chance you have of the event being admitted to the facility.
